

GAAYIP-YAGILA PRIMARY SCHOOL NEWSLETTER

THE LATEST EVENTS AND ANNOUNCEMENTS FOR
OUR SCHOOL COMMUNITY

LETTER FROM THE PRINCIPAL

Dear Families,

Welcome to Term 2 Week 2. I hope you enjoyed the holiday break celebrating Easter, soaking up our gorgeous Autumn weather and spending time with family and friends.

We welcome a number of new staff to our school from the start of Term 2.

- Ms Bernadette Seaman has joined our Year 4 team.*
- Miss Bronte Entwisle will be involved in Year 2 tutoring and short term teacher replacement.*
- Ms Lisa Hastings has joined our Learning Support Team.*
- Mr Fariu Teo Ona has joined our Learning Support Team.*

On Thursday 24th April, our school leaders respectfully led a commemorative ceremony to mark ANZAC Day, honouring the service and sacrifice of Australian and New Zealand servicemen and women. The ceremony included the reading of the Ode, a moment of silence, and the playing of the Last Post. Students demonstrated great maturity and understanding of the significance of the day, fostering a sense of respect, reflection, and pride across our school community.

LETTER FROM THE PRINCIPAL Cont...

Term 2 is an 11 week term with lots on! Get your diary's out, write in the events for your family and be ready for another great term at Gaayip-Yagila Primary School. Some events we look forward to include:

- *Excursions – Y4 Sealife*
- *Mother's Day Stall*
- *Year 4 – 6 District and Regional Cross Country*
- *Education Week, including our Family Maths night*
- *Year 3 and 4 swimming program*
- *School tours*

*This term we also have our whole school Professional Practice Day on Thursday 22nd May. Teachers will be focusing on the improved delivery of high-quality teaching and learning, including moderation, assessment and reporting. Students will **not be** required to attend school on this day. TheirCare will provide a service for students if required.*

To ensure you stay on top of our key information I encourage you to read through our fortnightly newsletters and review the 'Calendar of Events' page.

Gaayip-Yagila Primary School was approached by the Australian Election Commission to be a polling centre for the 2025 Federal Election. At this stage, we have been unable to arrange for a BBQ to be present onsite.

Again, welcome back and we wish your children a great term of growth and achievement!

Kind Regards

Cassy Hoggins

ASSEMBLY DATES 2025

We extend a warm invitation to join us at our upcoming school assembly! As we gather together, we'll celebrate our students' achievements, share important updates, and foster a sense of community. Your presence enriches our school culture, and we look forward to seeing you there.

Please note that we hold three assemblies each term: two throughout and a final one which reviews our successes for the term. Below are the dates and times of our assemblies for the year.

Term 2

Monday 12th May - 2:30pm

Monday 16th June - 2:30pm

Friday 4th July - End of term 1:30pm

Term 3

Monday 11th August - 2:30pm

Monday 8th September - 2:30pm

Friday 19th September - End of term 1:30pm

Term 4

Monday 27th October - 2:30pm

Monday 24th November - 2:30pm

Friday 19th December - End of Year 2:30pm

CALENDAR OF EVENTS

TERM 2

Date	Event
Wednesday 7 th May	Year 4 Sea Life Aquarium Excursion
Thursday 8 th May	Mothers Day Stall
Friday 9 th May	Year 4-6 District and Regional Cross Country
Monday 12 th May	Year 1 Science Incursion - Professor Bunsen
Wednesday 14 th May	School Tours 9:30am & 4pm
Monday 19 th May	Maths Mania 5pm - 6pm
Thursday 22 nd May	STUDENT FREE DAY
Monday 26 th May	School Tours 9:30am & 4pm
Monday 19 th - Tuesday 20 th May	Year 2 Yarra Valley Water Incursion
Monday 26 th - Friday 30 th May	Year 4 Swimming Program
Monday 2 nd - Friday 6 th June	Year 3 Swimming Program
Friday 13 th June	School Tours 9:30am & 4pm

Coming Together To Learn

BUILDINGS AND GROUNDS

Over the holidays, we have seen some exciting works begun at school:

Nature Walk – During the April holiday period, the space between the rear of the Year 4 portables and the playground has been begun its transformation into our new Nature Walk. ID Landscaping has done a fantastic job bringing this project to life. I encourage you to talk a walk along the path and identify the animal footprints.

In collaboration with CERES, toward the end of Term 2, a variety of tube stock grasses will be planted by students to create an inviting, sustainable outdoor learning and reflection space for our students. To help protect the smaller, newly planted vegetation as it establishes, we will have bunting in place as a visual reminder for students to avoid walking through the area. We look forward to this space becoming a valuable and much-loved part of our school grounds.

Coming Together To Learn

BUILDINGS AND GROUNDS

Outdoor Seating

Between the Science portable and the playground we have also put down a concrete pad. We are awaiting the arrival of 3 bench seats which will be installed in this space. This is expected in the coming 3 - 4 weeks. This will provide students with a place to sit, take a break between active play, and connect with friends in a social and accessible area adjacent to the playground. It offers a practical and welcoming space for students to gather, chat, and recharge before heading back to class.

This outdoor project has been overseen by Sally Hill, one of our Leading Teachers responsible for Specialised Projects.

Ramps rectification works

Over the past 18 months, we have been working closely with the Victorian School Building Authority (VSBA) and associated consultants regarding the ramps located across our school site. Following thorough assessments, some of our ramps were found to be non-compliant with current safety and accessibility standards.

Over the coming weeks the 'VSBA Ramp Rectification Project' will address these concerns. The majority of rectification works were originally scheduled for completion during the recent school holiday period, however, works did not commence as expected and will now be undertaken during the school term. To ensure student safety temporary fencing will be placed around areas that works are being undertaken.

We look forward to the completion of these works to ensure student, staff and families safety.

HAPPY MOTHER'S

Our annual Mother Day Stall will be held onsite on Thursday 8th May, giving students the opportunity to select a special gift. Please send your child along with between \$2 and \$5 and a bag to hide the gift in! Here is a sneak peek of some of the lovely gifts your children will be able to purchase on the day.

Attendance Matters – Every Day Counts

Since the COVID-19 pandemic, student attendance has become a growing challenge across all schools, with more families choosing to keep children home for non-essential reasons—including birthdays, travel, and minor illnesses. While some absences are unavoidable, consistent attendance is crucial for student learning, wellbeing, and long-term success.

Absences ⓘ

39%
State

At Gaayip-Yagila Primary School, our dedicated wellbeing team has worked hard to reverse this trend. We are proud to report that in 2024, only **42%** of our students had 20 or more days absent—an improvement from previous years, and notably **better than both similar schools (47%) and the network average (46%), and close to the state average of 39%.**

Absent day breakdown (5 years) ⓘ

Coming Together To Learn

Attendance Matters – Every Day Counts...cont

By the end of Term 1 we have already had 7% of students absent for more than 20 days. **13% of students have not had any absences during the first term.** Well done to those students on being present at school every day.

We thank families for their partnership in making this improvement possible and encourage ongoing commitment to daily school attendance. Every day at school builds knowledge, routine, friendships, and confidence. Learning happens from the beginning of the school day, right up until students leave at the end of the day and missing even the last session of (2:20–3:10pm) can add up over time. We understand that late drop offs and early pick-ups are sometimes necessary, but regular early departures mean students miss out on key learning, end-of-day routines, and reminders.

We kindly ask families to schedule appointments outside school hours where possible and take family holidays during term breaks. If your child has high absences or you are facing challenges with regular attendance, please reach out—we are here to support you.

Let's continue working together to ensure every student gets the most out of every school day.

Attendance Matters

Every student. Every day.

Coming Together To Learn

Reminder: Safe Driving and Parking Around School

The safety of our students, families, and staff is our top priority. We kindly remind all members of our school community to follow road rules and park safely and legally around the school grounds. Please avoid parking across driveways, near school crossings, or in no-stopping zones, as this can create dangerous situations—particularly for children walking, riding, or being pushed in prams.

We also ask all drivers to slow down, stay alert, and be patient during drop-off and pick-up times. A few extra minutes can make a big difference in keeping our community safe.

Thank you for helping us create a safe and respectful environment for everyone.

Reminder: Riding to School

A reminder to all parents that students riding bikes or scooters to and from school must wear a helmet at all times. Wearing a helmet is not only essential for your safety, but it is also a legal requirement in Victoria.

Additionally, riders must be at least 16 years of age to use an eScooter. Students who arrive at school without a helmet or who are using an eScooter will not be permitted to ride home at the end of the day, and a parent or carer will be contacted to collect the bike, scooter, or eScooter. We appreciate your support in keeping everyone safe and ensuring these important rules are followed.

School Council Update

Summary of Recent School Council Meeting – Wednesday 23rd April

The first meeting for our 2025 School Council was held on Wednesday 23rd April. Please congratulate our newly elected office bearers:

- **President:** Amanda McGregor
- **Vice President:** Vicki Fontaine
- **Treasurer:** Irene Nesci
- **Secretary:** Katrina Lamers

We need YOU!

Did you know you can be a part of the important work of the School Council?!

The Gaayip-Yagila Primary School Council has several sub committees that welcome any parents or community members. These subcommittees have the potential to make a significant impact on the quality of your child's school experience. There is so much we can achieve for our school and children with your assistance.

Buildings and Grounds Committee

Committee Convener: Amanda MacGregor

The Building and Grounds committee is responsible for making sure our school's grounds and buildings are well maintained. This includes planning and implementing improvements to school grounds, reviewing quotes for works to the grounds and generating new ideas for the improvements of the school grounds.

Education Committee

Committee Convener: Katrina Lamers

The Education committee is responsible for supporting and advising on matters related to teaching, learning, and student outcomes. Its role is to assist in the development, review, and implementation of educational policies and programs, monitor progress against the school's Annual Implementation Plan, and provide input into curriculum and wellbeing priorities. By providing feedback and recommendations, the sub-committee helps to shape educational decisions that reflect the needs of the school community and align with Department of Education guidelines.

Coming Together To Learn

School Council Update... cont

Finance Committee

Committee Convener: Irene Nesci

The Finance Committee is established to support School Council in overseeing the school's financial planning and management. Its role is to assist in the development of the school budget, monitor income and expenditure, and ensure resources are allocated in alignment with the school's strategic priorities. The committee provides advice and recommendations to School Council to ensure financial decisions are responsible, transparent, and support improved student outcomes.

Fundraising Committee

Committee Convener: Fatou Bitaye

The Fundraising Committee has two main areas:

1: It is responsible for initiating school fundraising and events. It will also seek to raise funds through other avenues and such as applying for grants and other fundraising activities. The committee will also propose potential uses of the funding raised.

2: Organise school community events to provide opportunities for the school and community to engage with each other, building a positive, enjoyable and inclusive culture, as well as support the Student V.O.I.C.E reps in engaging with the parents to participate in school life.

If you are interested in joining one of these committees, please contact our administration team for more information.

Additionally, the council endorsed the 2025 Annual Implementation Plan (AIP) and the 2024 Annual Report. These documents will be available via the school website at the conclusion of the quality assurance process.

We still have one parent vacancy. If you are interested in joining our school council, please email gaayip.yagila.ps@education.vic.gov.au

Researched information report on Giant Cassowaries - Aurora

Amazing Australian Rainforest!

- Did you know Australia has very old rainforests? One of them is called the Daintree Rainforest.
- In this rainforest lives a very special bird called the cassowary. It's a giant bird that can grow as tall as some grove-ups! It even has big claws that look a bit like a dinosaur's.
- Cassowaries are very important for the rainforest. They eat big fruits, and when they poo, the seeds in the poo help new plants grow. This helps lots of different plants to survive. Because the cassowary helps so many plants to survive, we call it a keystone species. That means it's very important - if you take it away, the whole ecosystem may collapse!

Oh No! Feral Pigs!

- Now, there's a problem in the rainforest. Animals called feral pigs have come to live there. These pigs weren't originally from Australia; people brought them here a long time ago. Now, there are lots of them - maybe even millions across Australia!
- These feral pigs cause trouble. They dig up the ground looking for food, which can wash away the soil when it rains. This makes it hard for trees to grow strong.
- The pigs also eat the same fruits that the cassowaries like to eat. This means there is less food for the cassowaries.
- Even worse, feral pigs can eat cassowary eggs and baby cassowaries (called chicks). There aren't many cassowaries left in Australia, only about 2,000, so this is very worrying.

Why This Matters

- If the cassowaries disappear, it would be bad for the rainforest because many plants need them to spread their seeds. If the plants disappear, then other animals that rely on those plants might also be in danger.

Lots of native animals in Australia are in danger because of animals that don't belong there, like feral pigs. These are called invasive species, and they are a big problem.

We need to try and help the cassowaries and the rainforest by stopping the feral pigs from causing so much damage. If we don't, we might lose these amazing birds forever!

GYPS Maths Mania Games Night

Monday 19th of May

5:00pm – 6:00pm

Come prepared to explore the fascinating world of numbers, discover new math tricks, and engage in hands-on activities that will make math come alive!

Guess the number of lollies in the lolly jar at each gate!

District Cross Country

On Friday 9th May, we are excited to be taking a number of students to participate in the District Cross Country Event.

The event will be held at Merrifield Recreation Reserve. Students will be participating in races which range from 2-3km. We wish all the below students the best of luck!

Daniel Brownley	Batoul Toufali	Oluferanmi Raji	Grace Brownley
Bilal El Mohamad	Miley Bruce	David Yousif	Amrose Hundal
Robin Kaler	Vihana Desai	Rhythm Wagle	Hukmeh Brar
Sogo Orekoya	Ritvi Balayan	Ethan Nnaji	Gunmeh Brar
Riaan Sangwan	Sehaj Gill	Rykah Paul	Arhata Patil
Tomasso Longo	Nimrat Sidhu	Aadesh Acharya	Aziya Mohamed
Seth Lister	Mankaran Sidhu	Paisios Aiolutepa	Ivneet Kaur

LIBRARY NEWS

Welcome to the April edition of library news.
I hope you all had a wonderful term break!

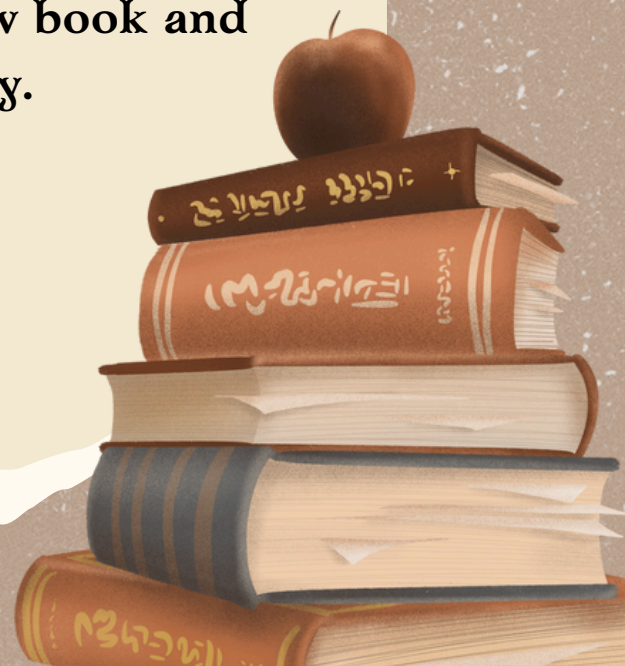

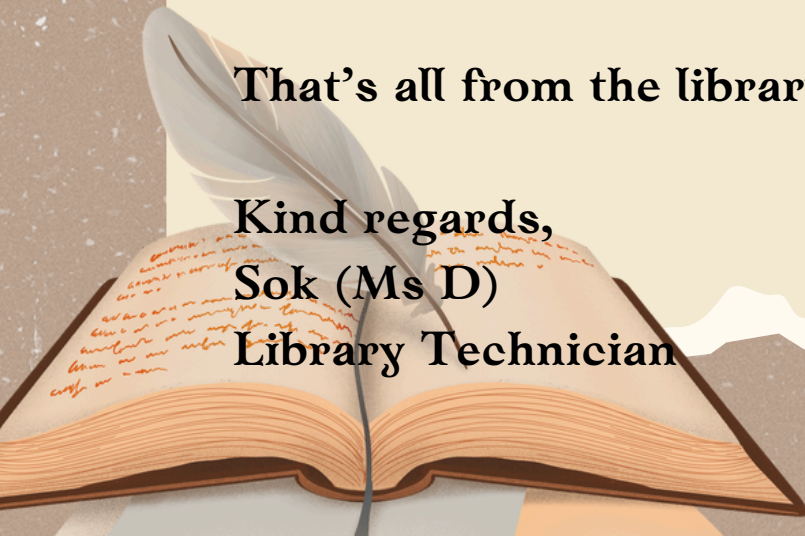

Our new library is starting to fill up with new books, which is exciting for our staff and students. It's lovely to see how students love to come to the library and read their favourite books!

Students would have received a copy of the Scholastic book club catalogue by now. Please refer to my announcement from last week on how to order.

A friendly reminder to ensure your child returns their library books on time to avoid missing out on borrowing a new book and falling into the overdue category.

That's all from the library.

Kind regards,
Sok (Ms D)
Library Technician

Auslan Moments Captured

AUSLAN NEWS

What's been happening in Auslan?

It's been an exciting second term in our Auslan classrooms, with students continuing to build on their skills and deepen their understanding of this beautiful language. Here's a quick update on what each group has been focusing on:

Our Foundation students have continued their exploration of Auslan letters, numbers, colours, and animals following the Little Learners Love Literacy (LLL) structure.

Students in Years 1 and 2 have been learning about the importance of HOLM (Handshape, Orientation, Location, Movement) and Non-Manual Features (facial expression and body language) in Auslan. They've discovered how these components help convey meaning and are now applying their knowledge to the signs they are learning.

In Years 3-6, students have been continuing their exploration of HOLM/NMFs and how these elements shape the way we sign in Auslan.

Students from Foundation to Year 6 have all started to learn the song 'My Island Home' for a special assembly performance later this term.

We are so proud of all our students for their continued enthusiasm and commitment to learning Auslan.

GYPS AUSLAN TEAM

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and Gaayip-Yagila Primary School is excited to be taking part!

The Challenge is open to all Victorian children from birth to Year 10 and aims to help young readers develop a lifelong love of reading. It is not a competition; it is a personal challenge for children to read a set number of books by 5 September 2025.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

This year, the Challenge is celebrating its 20th anniversary with the theme '20 years of words and wonder' and a year of special activities. For details, follow the [Victorian Premiers' Reading Challenge Facebook](#)

Since it began in 2005, more than 4.5 million young readers have taken part and together read more than 63 million books!

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit www.vic.gov.au/premiers-reading-challenge

You can also contact our school's Challenge coordinator at gaayip.yagila.ps@education.vic.gov.au with any questions.

Happy reading!
