

GAAYIP-YAGILA PRIMARY SCHOOL NEWSLETTER

THE LATEST EVENTS AND ANNOUNCEMENTS FOR
OUR SCHOOL COMMUNITY

LETTER FROM THE PRINCIPAL

Dear Families,

Welcome to Term 3 Week 4!

As the world comes together to celebrate athletic excellence at the 2024 Paris Olympics, our students have been actively participating in the Gaayip-Yagila Primary School mini decathlon. Every day, our students have been engaging in various themed activities, designed to promote fitness, concentration, teamwork, and a spirit of friendly competition in a supportive and positive environment. These activities have enabled our students to demonstrate the core expectations of our school by playing by the rules and working co-operatively with others. We are incredibly proud of all our students for their enthusiasm and participation. There has definitely been a lot of fun along the way.

Last week I was fortunate to attend another walkthrough of our Capital works project. The project continues to progress at a rapid rate. Internally, the plastering is almost complete, walls are beginning to be painted and the cabinetry is being installed. Windows have been installed, brickwork is nearing completion and the external ground work is about to begin.

Coming Together To Learn

Gaayip-Yagila Primary School is participating in Merrifield City's Shop For Your School campaign which will run from Monday 12 August (9 AM) – Sunday 15 September 2024 (5 PM). The TOP 3 schools with the highest points per student will win a share of \$5,000 cash prizes. Which will be split into:

- *First Place: \$3000 cash prize*
- *Second Place: \$1500 cash prize*
- *Third Place: \$500 cash prize*

When you shop at Merrifield City from next week, don't forget to select our school to allocate your shop total too. Every dollar spent earns a credit.

Have a great fortnight.

Kind Regards

Cassy Hoggins

CALENDAR OF EVENTS

TERM 3

Thursday 22 nd August	Superhero Book Week Dress Up Day
Friday 23 rd August	Bundoora Farm Excursion Year 1A, C, D & E
Friday 30 th August	Bundoora Farm Excursion Year 1B, F, G, H & I
Monday 2 nd September	Assembly 2:30pm
Monday 2 nd September	Responsible Pet Ownership - Foundation
Tuesday 3 rd September	Responsible Pet Ownership – Year 1
Tuesday 3 rd September	Rippon Lea Excursion Year 2A & 2F
Wednesday 4 th September	STUDENT FREE DAY
Wednesday 4 th September	PARENT TEACHER INTERVIEW
Thursday 5 th September	Rippon Lea Excursion Year 2B & 2D
Friday 6 th September	Rippon Lea House Excursion Year 2C & 2E
Monday 16 th September	Melbourne Museum Excursion – Year 5
Friday 20 th September	Footy Colours Day
Friday 20 th September	LAST DAY OF TERM -Assembly 1:30pm

2024 Parent / Caregiver / Guardian Opinion Survey:

WE WANT OUR PARENTS / CAREGIVERS / GUARDIANS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents / caregivers / guardians think of our school. The Parent / Caregiver / Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey is optional but we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

All families are invited to participate in the survey.

The Parent / Caregiver / Guardian Opinion Survey will be open until Friday 30 August 2024.

The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time within the survey period on desktop computers, laptops, tablets or smartphones. The online survey will be available in English and 10 other languages including Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese. Survey results will be communicated to parents / caregivers / guardians through annual reporting processes. Please speak with the administration team if you would like more information.

Student accident insurance, ambulance cover arrangements and private property brought to school

The Department does not provide personal accident insurance or ambulance cover for students. Parents/carers of students, who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance or transport as well as any other transport costs. Parents/carers can purchase insurance policies from commercial insurers.

Private property brought to school by students, staff or visitors is not insured and the Department does not accept any responsibility for any loss or damage.

This can include mobile phones, calculators, toys, sporting equipment and cars parked on school premises. As the Department does not hold insurance for personal property brought to schools and has no capacity to pay for any loss or damage to such property, students and staff are discouraged from bringing any unnecessary or particularly valuable items to school.

Coming Together To Learn

Sunsmart - Hats

Our school policy states that ALL children MUST wear a school hat when UV levels are 3 or higher. This is typically from mid to late August until the end of April in Term 2. From Monday 26th August 2024 students will require a hat to play outside. Students without a hat must sit undercover at recess and lunch.

Hats can be purchased from Academy uniforms our uniform supplier. We strongly encourage parents to provide students with a named school hat, so that it can be returned in the event that it may be lost.

Road Safety around Schools

Speed zones, pedestrian crossings and parking restrictions around school are there to improve the movement of traffic during peak times and maximise safety for children and road users. Our school crossings are raised to slow cars travelling along Blackmore Road.

It is vital as adults, we lead by example and set good road safety practices travelling to and from school. As such, we are asking all parents and carers to observe and obey parking signs. We also remind parents to not utilise the staff car park to drop off and pick up students. Exiting during peak times is dangerous to students walking along the footpath into school.

Hume City Council have asked us to remind our school community that it is an offence to:

- double park by stopping next to a legally parked vehicle, even for a short time or to drop off/pick up passengers
- stop or park on the centre median strip (Blackmore Road)
- stop or park across a driveway or footpath (especially down our side streets this has been occurring)
- stop or park within 10 metres of an intersection or corner that doesn't have traffic lights
- stop or park across or in a bus zone

Council Local Laws Officers will be active around our school area to issue warnings and fines

Coming Together To Learn

CELEBRATING INDIAN INDEPENDENCE DAY

Indian Independence Day, celebrated annually on August 15th, marks the day in 1947 when India gained independence from British rule. This significant day commemorates the end of colonialism and the birth of India as a sovereign nation.

Independence Day is important because it honours the sacrifices made by countless individuals in the struggle for freedom. It serves as a reminder of the values of liberty, justice, and unity.

Typical celebrations include:

- **Flag Hoisting:** The Indian national flag is raised, and the national anthem is sung.
- **Cultural Programs:** Performances of traditional dances, songs, and patriotic plays.
- **Parades:** Military and civil parades showcasing India's progress and heritage.
- **Community Events:** Gatherings that reflect on the nation's history and achievements.

15 AUGUST
**HAPPY
INDEPENDENCE DAY**

At Gaayip-Yagila Primary School, we acknowledge this day with our students about its significance, encouraging them to participate in cultural activities, and fostering a sense of global citizenship.

Coming Together To Learn

CELEBRATING PAKISTAN INDEPENDENCE DAY

Pakistan Independence Day is observed annually on 14 August and is a national holiday in Pakistan. It commemorates the day when Pakistan achieved independence and was declared a sovereign state following the termination of the British Raj, in August 1947. Pakistan came into existence as a result of the Pakistan Movement, which aimed for the creation of an independent Muslim state in the north-western regions of British India via partition. The movement was led by the All-India Muslim League under the leadership of Muhammad Ali Jinnah. The event was brought forth by the Indian Independence Act 1947 under which the British Raj gave independence to the Dominion of Pakistan which comprised West Pakistan (present-day Pakistan) and East Pakistan (now Bangladesh). That year the day of independence coincided with 27 Ramadan of the Islamic calendar, the eve of which, one of the five nights on which Laylat al-Qadr may occur, is regarded as sacred by Muslims.

The main Independence Day ceremony takes place in Islamabad. Events include:

- the national flag is hoisted at the Presidential and Parliament buildings.
- the national anthem and live televised speeches by leaders.
- parades, cultural events, and the playing of patriotic songs.
- hoisting the national flag atop their homes or display it prominently on their vehicles and attire.

Coming Together To Learn

PARENT TEACHER INTERVIEWS

Parent/ Teacher/ Student Interviews are a valuable and important part of our assessment and reporting cycle each year. In Term 1, we had our Meet and Greet, and in Term 3 we are conducting our parent teacher interviews. Ongoing student progress reports are provided in Week 5 and Week 10 of each term, along with Student Semester Reports at the end of Term 2 and 4 which inform families of their child's progress in relation to the Victorian Curriculum. Our reporting practices ensures parents and carers have regular feedback on their child's progress at school.

The Parent/ Teacher/ Student Interviews will open on Xuno on Thursday 15th August. We will provide a notification to inform you that the system is open. Please book in to meet your child's teacher, with timeslots available between 11.00am and 6.30pm. Similar to past years, we will provide an option for families to attend in person or online.

Optional Interviews are also available with your child's specialist teacher, as you may need to discuss concerns or progress. Specialist teachers may teach over 500 students at the school, so they will not be available to meet with all parents on this day. Each Specialist will have only 30 interview timeslots available to the first families to make a booking.

Interpreters can be booked for many different languages, so please indicate if you need an interpreter.

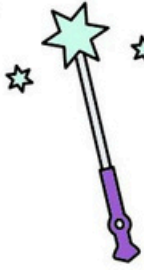

If you have any concerns or need assistance booking, please speak to our office staff.

Please note: Wednesday 4th September is not a regular school day. Students do not attend school but come with their parent/s or carer/s for their interview only. TheirCare will be operating on this day for students who require care.

Auslan News

It has been a wonderful start to the term in Auslan, and we are excited for what lies ahead.

Let's Learn Some Signs

Good Morning

Good Afternoon

What's been happenning in Auslan?

In their Auslan classes, our Foundation students have been focusing on learning signs for basic greetings. They are using these greetings, along with other signs they have previously learned, to engage in simple conversations with their peers. This practical application is helping to enhance their communication skills and build confidence. Students in Grades 1 through 6 have been learning about the signs for animals in various man-made and natural habitats such as the ocean, farm and zoo. Expanding on this knowledge, students in Grades 3 to 6 have undertaken a unit of work that requires them to closely examine a chosen animal. They have been using signs for colours and other adjectives to practice describing these animals. In light of the excitement surrounding the Paris Olympics, students have also been engaging in a range of activities to learn the signs for different sports and gain knowledge about the Deaflympics. We are proud of the progress our students are making.

GYPS AUSLAN TEAM

LIBRARY NEWSLETTER

Hello readers!

Welcome back to to August's library edition.

In this month's library edition, book displays in the library will be going up to celebrate book week (17th -23rd). There will be some fun activities in place during book week for the students and let's not forget dress up day on Thursday, 22nd. The theme is Superheros or a favourite character from a book! I cannot wait to see all the costumes!

- The short-listed books for 2024 book week include:
- The Sideways Orbit of Evie Hart by Samera Kamaledidine
- Scout and the Rescue Dogs by Dianne Wolfer
- Scar Town by Tristan Bancks
- Real Pigeons Flap Out by Andrew McDonald
- Huda Was Here by H. Hayek
- Being Jimmy Baxter by Fiona Lloyd
- Bear and Duck are Friends by Sue DeGennaro
- Can You Teach a Fish to Climb a Tree? By Jane Godwin
- The Concrete Garden by Bob Graham
- One Little Duck by Katrina Germein
- Gymnastica Fantastica! by Briony Stewart
- Grace and Mr Milligan by Pip Kruger
- Bowerbird Blues by Aura Parker
- Every Night at Midnight by Peter Cheong
- If I Was a Horse by Sophie Blackall
- Paper-flower Girl by Mateja Jager
- That Bird Has Arms by Ronojoy Ghosh & Niharika Hukku
- Timeless by Kelly Canby
- Australia: Country of Colour by Jess Racklyef
- Country Town by Isolde Martyn & Robyn Ridgeway
- Eww Gross: Foul Facts and Putrid Pictures by Dan Marshall
- Our Country: Where History Happened by Mark Greenwood
- Tamarra: A Story of Termites on Gurindji Country by Violet Wadrill, Topsy Dodd Ngarnjal, Leah Leaman, Cecelia Edwards, Cassandra Algy, Felicity Meakins, Briony Barr, Gregory Crocetti
- This Book Thinks Ya Deadly! by Corey Tutt

Coming Together To Learn

A friendly reminder that our school runs library club on Monday's & Thursday's during lunch time. This gives the opportunity for our little bookworms to come in for a read or borrow a book. If your child is interested in attending the library club, please ensure they have their black library bag in their school bag along with the borrowed book to return. Do encourage your child to come to this club, if they don't want to play outside.

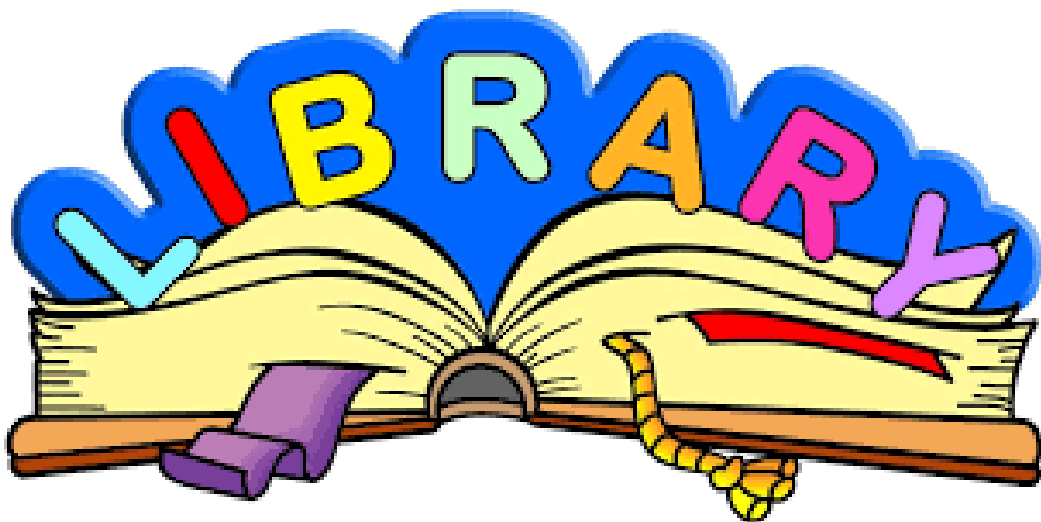

Please remind your child to return their library books in a timely manner, so they don't miss out on the opportunity to borrow a book. Please be advised that any lost books will incur a \$10 fee. If you have any questions regarding this, please contact Sok (Ms D) at the library.

If you are exiting your child from the school, please remind your child to return all library books in a timely manner.

That's it for this month, until next time, keep reading and keep learning!

Warm regards,

The Library Team Sok (Ms D), Rushani & Coen)

GYPS PRESENTS NATIONAL SCIENCE WEEK

SPECIES SURVIVAL MORE THAN JUST SUSTAINABILITY

Bee population in decline!

Not everyone knows that bees are extremely essential for the health of people and the planet. Unfortunately, environmental degradation caused by climate change is threatening these important pollinators.

Why Are Honey Bees So Important?

Worldwide, there are around 20,000 species of bees. One of the most popular species is the humble honey bee, a small creature with a very crucial role in managing the world's ecosystem.

Why Are Honey Bees Endangered?

Honey bees are declining mostly because of climate change. Pesticides and habitat destruction from farming also harm them. Extreme weather, like heatwaves and floods, damages their homes and affects their ability to pollinate and reproduce.

DAY 1- MONDAY

5/6 STUDENTS ARE INVITED TO CREATE HEXAGONAL HONEYCOMB SHAPES FOR OUR HIVE.

DAY 2- TUESDAY

3/4 STUDENTS ARE INVITED TO ADD THE HONEYCOMB TUBES TO THE HEXAGONAL HONEYCOMB SHAPES FOR OUR HIVE

DAY 3- WEDNESDAY

1-2 STUDENTS ARE INVITED TO CREATE HONEYBEES TO FINISH THE DISPLAY FOR OUR HIVE.

DAY 4- THURSDAY

FOUNDATION STUDENTS ARE INVITED TO CREATE HONEYBEES TO FINISH THE DISPLAY FOR OUR HIVE.

DAY 5- FRIDAY- **ALL STUDENTS**

ARE INVITED TO 'FIND THE ANIMALS'

THEY WILL BE PLACED IN WINDOWS OF CLASSROOMS AROUND THE SCHOOL. THEY WILL BE VERY CAMOUFLAGED! RETURN COMPLETED ANSWER SHEETS WITH FULL NAME AND GRADE TO MRS PONGRAC'S SCIENCE ROOM TO GO INTO THE DRAW FOR A PRIZE.

JOIN US TO BUILD A 3D HIVE!

LUNCH TIME IN THE SCIENCE PORTABLE

SCIENCE NEWSLETTER

Foundation: Movement

Our youngest scientists are discovering the basics of movement by experimenting with objects that roll, bounce, and slide. Through playful, hands-on activities, they're learning how different surfaces and shapes affect movement, sparking curiosity and critical thinking.

Years 1 and 2: Forces

Students in Years 1 and 2 have been exploring the concepts of force through push, pull, and buoyancy. This week, they conducted experiments to test which objects float or sink, providing practical insights into the forces that act on objects in water. These activities help students understand the fundamental principles of physics in an interactive way.

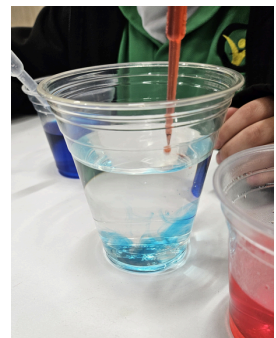

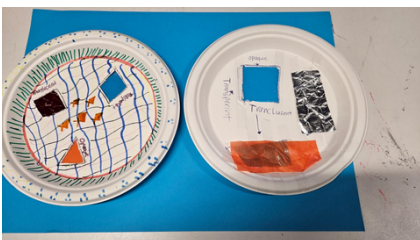

Years 3 and 4: Thermal Energy

In Years 3 and 4, students are learning about thermal energy, including convection, conduction and radiation. Recently, they conducted an experiment to observe convection currents, watching firsthand how heat moves through liquids. These activities enhance their understanding of how energy is transferred in different forms.

Years 5 and 6: Light

Our Year 5 and 6 students are investigating light and its interaction with various materials. They're exploring the properties of transparent, translucent, and opaque objects, as well as how light enters our eyes and the electromagnetic spectrum. These experiments help them grasp complex concepts about light and vision, encouraging deeper investigation and discovery.

Through these activities, students are not only gaining knowledge but also developing a love for science. We encourage you to ask your children about their experiments and discoveries to keep the excitement for learning science alive at home!

Coming Together To Learn

The PE department is extremely excited that the 2024 Paris Olympics are officially underway! We will be talking about some of these different sports and events in class during the next week. Australia is off to a successful start and hopefully we can continue to add to our medal tally! Feel free to watch some of the special events that we have listed below and challenge yourself to complete the Olympics wordsearch. We would love to hear which events you have enjoyed watching the most in PE next week!

Hello families!

NED's Mindset Mission is a positive behaviour assembly visiting our school!

A world-class performer takes our students on a 45-minute journey filled with storytelling, illusions, yo-yo tricks and humour.

NED's message and memorable friends inspire students, promote academic achievement, and support our school goals. NED will become a positive role model at both school and at home.

Never give up **E**ncourage others **D**o your best®

A yo-yo is both a mindset tool and tangible reminder of NED's message. While learning to yo, children will make mistakes, try again, & improve. Read more at www.MindsetMission.com/yoyos.

Our school yo-yo sale

Our school received this assembly at no-cost because another school paid-it-forward to us. We want to help pay-it-forward too, and you can help by purchasing a NED-messaged yo-yo.

SALE DATES: _____ TIME: _____

ADDITIONAL DETAILS: _____

Yo-yo designs and colors may vary.

Make cheques payable to our school. Prices include tax (where applicable).

STUDENT ORDER FORM:

CLASSIC YOS

AU\$15

Learn the basics of yo-yoing with assorted fixed axel yo-yos.

SUPER SPINNERS

AU\$20

Great for basic and intermediate tricks. With a strong throw, these auto-return yo-yos 'sleep' at the end of the string & then come back to you automatically.

SPECIALTY SELECTION

AU\$25

Assorted professional long spin yo-yos for next level tricks!

REPLACEMENT STRING PACK

Ten assorted strings to change color or replace a worn out yo-yo string.

AU\$6

YO-YO HOLSTER

Keep track of your yo and have it ready to go. Attach it to your belt loop or backpack (yo-yo not included).

AU\$12
